To whom it may concern,

Community Choirs of Huntington County (CCHC), formerly Children's Choir of Huntington County is looking forward to starting our 33rd season singing with and for the children and adults in the Huntington County area. We are expanding our programs this year to include children in 1st-12th grades and adults in the community.

The programs offered by the Community Choirs of Huntington County include the following:

- **Children's Choir** (a youth choir for beginner singers)
- **Treble Tones** (a youth choir for intermediate singers)
- **CopperSound** (an a capella youth choir for advanced singers)
- **Joyful Songsters** (a choir for teens and adults with and without disabilities)
- **Summer Music Camp** (a fun week of singing and learning in a day camp setting)

In order for CCHC to sustain these programs and continue to touch the lives of singers and audiences around the community, we need support from you. A long-standing goal of CCHC has been to keep tuition affordable for families to have access to a quality choral music program for as many students as possible. We are dependent upon sponsorship from businesses and people like you.

Attached you will find information regarding our 2025-2026 sponsorship program. We ask you to earnestly consider supporting CCHC for our 33rd season. Every dollar raised will go towards sustaining the choir. With your help, we can continue to offer this exceptional choral music program to the children and adults of Huntington County.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Angela Troyer, President
Board of Directors, Community Choirs of Huntington County
